

Partner Onboarding

Getting Started – Sales

Introduction:

This Getting Started playbook is for use by Partner Sales associates to quickly become enabled to sell Avaya products and solutions in 7 easy steps. It should be used together with the formal Avaya Professional Sales Specialist Credential (APSS) and associated training located on Avaya Learning (<http://avaya-learning.com>). The **Partner Onboarding – Getting Started – Sales** playbook will review the sales tools, policies, processes and support resources available and how to access them. It can also serve as a reference tool that can be utilized throughout the sales cycle. The playbook consists of core getting started materials, a summary and certificate of completion.

Prerequisites:

1. **You must be online** (connected to the internet) to be able to access the materials in this Getting Started playbook.
2. Because this information is located behind the Avaya firewall, you will be prompted to enter your Secure Sign-On (SSO) Login ID when viewing content on the links in this document. If you have not done so already, create your Secure Sign-On (SSO) ID to get started by following the instructions below. (NOTE: If you have already created your SSO ID and downloaded this document from the Avaya Partner Portal, then you are all set to begin. You may find it helpful to use your default browser to log into the Avaya Partner Portal at <https://avaya.com/partnerportal> so the links work immediately and you are not prompted to enter your SSO ID as often.)

Click here to view a video on how to create your SSO login:
<https://weconnect.avaya.com/e9x00286o>

Create your SSO login now by clicking: <https://sso.avaya.com>
(Be sure to have your Company Link ID handy).

Once you have created your SSO login, contact the Avaya Connect Partner Helpdesk at 1-720-444-5800 or partnerhelp@avaya.com and request them to “Federate your SSO Login” making sure you specify the email address and Link ID that you used when creating the ID.
