

## PANACAST BUNDLES: MEET ANYWHERE / MEET ANYWHERE+

# Industry-leading audio and video solutions

## that instantly let you meet anywhere

Hybrid working continues to grow in popularity, with over two thirds of employees citing it as their preferred way to work<sup>1</sup>. And with 85% of flexible workers believing technology is vital to enable a 'work from anywhere' future<sup>1</sup>, now is the perfect time to upgrade your hybrid toolkit. The new Jabra Meet Anywhere and Meet Anywhere+ bundles combine cutting-edge video and world-leading audio in a lightweight and portable case to make a hybrid-working future a reality today.

Open the case and start any meeting, anywhere with Jabra PanaCast, Speak 750, and a Table Stand<sup>2</sup> now available together in a compact Travel Case. Meetings have never been so easy.

### Jabra PanaCast

Jabra PanaCast features three 13-megapixel cameras for 180° Panoramic-4K coverage with patented real time video-stitching technology, ensuring every attendee is clearly seen while still enabling you to make the most of any meeting space. Intelligent Zoom detects where people are, while Vivid HDR automatically optimizes video quality. Compatible with all leading Unified Communications (UC) platforms it delivers easy plug-and-play video collaboration to your teams, for productive meetings anywhere.
